

Mark your Calendars for “Building the CASE”

15th Annual National Supported Employment Conference

**Join us at the
Delta Beausejour, Moncton NB
November 11-13, 2009**

The Canadian Association for Supported Employment is a non-profit organization dedicated to increasing employment for persons with disabilities.

Services providers, employers, advocates and educators will come together to network and share tools, resources and innovative practices to “build the case” for workforce inclusion during this exciting event.

Look out for a full program and conference registration coming soon! Visit www.supportedemployment.ca.

CASE is proud to co-host this event in partnership with the New Brunswick Association for Supported Services and Employment Inc.
