

Community Futures Treaty Seven 2009 Annual Disability Conference

Coast Plaza Conference Centre, Calgary, AB

Feb 23 –25, 2009

“What You Focus on Expands: The Business Strategy”

The *2009 Community Futures Treaty Seven Disability Conference* will promote employment and economic opportunities for First Nations people with disabilities. Congruent with the theme of the conference: **Focus Empower Expand**, the vision is to build the capacity of existing T7 sub agreement holder’s employment services (on and off reserve) for addressing the needs of people with disabilities, to facilitate opportunities for networking and connections among all stakeholders, and to achieve outcomes in the area of employment for First Nations people with disabilities.

- **Educational Sessions**, including Keynotes, a connected of sessions by the Job Accommodation sector, and Career Fair programs.
- **A Regional Career Information Fair** with a number of companies participating, plus many small businesses in southern Alberta.
- **Conference Sessions** – Youth to Work, Assistive Technology, and business strategy.
- **Sessions of self employment and entrepreneurship.**
- **Networking opportunities** throughout the conference.
- **Awards Banquet**
- **First Nation Arts & Crafts** showcased
